“ So sorry for your loss. Stacey you should be very proud of yourself cause I know your grandma was. You done a wonderful job helping take care of her. I am so blessed to got to work with you all and not only that make the friendship I made with everyone there. To the rest of the family you are in my thoughts and prayers. She was a wonderful woman and was ready to go home with the Lord. She fought a good fight and finished her race untill the end of her journey. Yes she was stubborn at times but always had a smile when I walk through the door and she seen me. I sure made some great memories with you all. If there is anything I can do please let me know. Thanks Stacey for all the up dates she will be truly missed. Fly High granny.. I can hear those red carnals a charging now..

“ My sincere condolences to Dennis and the entire Creeger family. When I was a young lad growing up in Coolville I spent a lot of time at the Pierce house with Bob and Sue. We remained lifelong friends and they will both remain in my memory bank forever.
