“ *You will forever be missed but never forgotten. To many people that knew chad knew they could count on him no matter what. We love you chad . Fly high with grandma and grandpa and Nana and George. Ride through the pearly gates of heaven. I will always remember the time some kid thought it was okay to make fun of me and you showed him it wasn't okay in the middle of the basketball game. You may have had to set the rest of the game out but you told me the game didn't matter what mattered is he will never make fun of his cousin agian. Love you Chad Wayne.*
