“ I am saddened to hear of your family’s loss. Charlotte was my babysitter for many years growing Up during the 90’s along with many of her grandchildren and other kids from the area. She was like a second grandma to many of us that weren’t her grandkids. She took care of us very well, disciplined us, and helped shape many great people. She was a Kind and I know will be greatly missed by those close to her. I am Very fortunate to have been able to had her help raise me. May she Rest easy.

“ Williams Family,  
I am so sorry for the loss of your mother, my sister, grandmother and great grandmother. She will truly be missed. I will always remember, during our many telephone conversations, how spunky she was and the laughter that she had when talking about all of you. She truly loved those grand children and great grandchildren and would tell me stories about them. I know that she is in a better place and free of pain. She certainly did not like being away from all of you and being transferred from one hospital to another. God had wrapped his arms around her and she can now be with your beloved Fletcher . Rest in peace Charlotte and say hello to Mom and Dad
