“ He was a great honest Christian! He's the first person I met when I came into Rutland! Him and Esther had a church bus Henry right away asjedifmyl kids could go? I Road with them first and past that my kids went every week!
He became the best man on this earth as my landlord! I rented off Hendry for 12 years. Things came up in myface personal life and he did things for me to help me! He was an excellent man to look up to!! I hate that he's no longer with us but if there were any man more deserving of going to heaven it's him!!!
I know he was ready and he practiced what he preached! I loved him and Esther!
2 great people to admire and my children only went with them period!

I know we all shall miss him now but look who he is with and where. In heaven with the angels and God! My condolences to the entire family especially my woman Esther whom I love with all my heart!

“ Such good memories of my Uncle Lawrence and Aunt Barb. Im sure they are happy at being together again. I loved hearing Uncle Lawrence sing and listen to his stories. I love that he sang at Destinee's wedding and how much she treasures that. Most of all I miss how he loved, he was a good man who loved his family and his God. Heaven is a little brighter now and we have lost some light.
To my family, I am so sorry for your loss. I love you all.
