

## Nathan "Nate" Cozart

August 11, 1987 - November 6, 2021

### Nathan "Nate" Cozart

Nathan "Nate" Cozart was an extraordinary father, brother, son, and friend. He passed away suddenly on November 6, 2021, at the age of 34.

Nathan is survived by his loving daughter, Addyson Jade Cozart; his parents, Melody and Gerald Cozart; his grandparents, Oval and Shirley Nichols; his siblings, Hannah Cozart, Mickey Cozart, Cindy Zadorozny, Becky Buchanan; his girlfriend, Alyson Shank, and many aunts, uncles, cousins, nieces, nephews, and friends.

Nathan was known for his basketball talents. He was an athlete throughout high school and many young players valued his talent looking up to him as a role model. There is no doubt that he is playing a one-on-one with Kobe while looking down on all of us. He enjoyed hunting, playing disc golf, cornhole, and watching the Pittsburgh Steelers- even if they lost. Nathan was a professional chef and loved bringing joy to others through his food, but preferred eating a Larry's pizza instead. Though it leaves a hole in our hearts, each time it thunders above us we can be assured it is from the chains rattling when he sinks that putt in heaven.

Nathan believed in God, guns and above all else- family. He will always be remembered as an exemplary father, son, brother, and friend to all.

Funeral services will be held at 2 P.M., Sunday, Nov. 14, 2021, at Eastern High School, with Jason Simpkins officiating. Burial will follow in the Fairview Cemetery.

Visitation will be held at the school on Sunday, from 11 A.M. until time of service.

Arrangements have been entrusted to White-Schwarzal Funeral Home in Coolville, OH.

You are invited to sign the online guestbook at <http://www.whiteschwarzelfh.com>

“ We are shocked and saddened by the passing of Nate. We have fond memories of time spent at many basketball games and getting to know Nate's wonderful family. We are praying for you and Nate's precious daughter. Hugs from Jerry and Stephanie Hamilton.

“ To the Cozart family,

Our son attended Meigs High School, and knew Nathan. Although through the years we had lost touch, we all remember WELL the athlete Nathan was. He was a talented and personable young man.

Please know we are thinking of you and your family, and will be praying that God give you His peace during this so sorrowful time.

Much sympathy,

“ I really don't know where to begin... this is so very heartbreaking. I feel the pain in his Mother, Father, Sister and Grandparents hearts....and everyone who knew and loved Nate. It just feels wrong that you should have to say goodbye to your child/grandson and sibling. God has a plan for all of us and we are not to question his reason for taking Nate so soon. Just know that we will see him again someday and it will be a glorious reunion. Everytime you see Addy, you will see Nate.

On one of my visits to the country, Nate stopped by.... so happy to have seen him then and it was the last time. He looked so handsome in his chef coat and that huge chef hat. We chatted for a short while as he had to get to work at the Blennerhasset. He did show me a new set of chef knives he'd bought and they looked mighty dangerous to me! Then I asked if I could take a short ride down the lane in 'Nelly', my former little truck. Away my sister and I went....I had not forgotten how to drive a 5 speed....it was like Nelly and I were friends again but I was happy to pass her off to Nate. I hope he enjoyed her as much as I did. That all is such sweet memories to share when the time is right.

Just know I love you all so much and wish I could be there to share in your grief, but I'm not far, spiritually.

“ Our dearest Nathan.....this is about the hardest thing we have ever had to do....to say goodbye to you...our first grandson. It doesn't seem real, but we saw you today, and we know it's real. Our hearts are so broken. You are loved by sooo many and your memory will live in our hearts and minds every day until we join you. We are thankful for the love and joy you brought us your whole life and we already miss you so very much. Your precious Addy will always know what an awesome loving daddy she had. She was the light of your life. We love you sweet Nathan and will see you again.

“ You will be missed, I can't imagine what life is going to be like without my little brother. Your family misses you dearly but we will stay strong for each other and Addy.

“ Nate wasn't afraid of hard work. He amazed me in the weight room. He was a great teammate. I've never known anyone who loved his family so much. My heart goes out to all of you. He was so good with all the kids at the schools we visited. They loved him. You can see the joy in their faces. Nate made a difference and this world will miss him.

“ I met Nate at the Blennerhassett as he was one of my line cooks. It was sad when he left but he was following his passion for Bbq. While cooking at the hotel, Nate was always a hard working chef. Knocking out the food during dinner service with his fellow line cooks. Every night Nate was in his element. He had a passion for the kitchen.

Nate always talked to me about disk golf, food and his lovely daughter Addy. He was a proud father, always talking about her. Nate, I'll miss you as a chef, a friend and mostly as a father. I'll see you on the other side. Love you brother!

“ I so enjoyed watching Nathan play basketball through junior high and high school and as I type this so many of his games are running through my mind. My oldest son, Nick graduated with Nathan and always held him in high regard. I'm happy he believed in God.
