“ Dear Amy and Angie, Please know how sorry we are to hear about the passing of your father, our cousin. Having just lost our own dear dad not that long ago, we know the pain you're experiencing. May God bless you and help you through this time of sorry.

“ We remember Bob when he worked with his Father Olen on our house in Belpre. Such a fine family and so talented in their work and honest as the day was long. Our children are grown now but we remember how they enjoyed Olen and his boys as they would come to work each day. So sorry for your loss. Remembering you all in prayer. John and Norma Underwood

“ We have been neighbors of Bob for about 13 years. He used to come and visit us a few times a year after we first moved here. Frank has went down to visit him. But due to his bad health he and Franks they had not visited for a few years. Bob loved his animals and his family. Especially his grandchildren. We used to watch him leave and try to watch for him to get back home. We were sitting on our porch when we saw the squad go to his house a few days ago. We are so sorry for the family's loss. We did not know until a family member stopped at our home, I think it was yesterday to tell my husband he had passed away. Bob's family said his 3 legged cat was missing, I hope they found it. I will watch for it, I believe animals know when things like this happen, but I hope it has went home by now. RIP Bob.
